

A10 – Students who do not continue in higher education after their first year

Baseline and Trends: Baseline year – 2004/05. Figures from 2004/05 state 7.2% of young non disabled students, 5% of young disabled students in receipt of Disabled Student's Allowance (DSA), and 8.6% of young disabled students not in receipt of DSA do not continue in higher education after their first year. The comparative figures for mature students are 14.5% for non disabled students, 11.2% for disabled students in receipt of DSA and 16.1% for disabled students not in receipt of DSA. These figures have not significantly changed since the baseline.

Students who do not continue in higher education after their first year

Definition: Disability is self reported where not in receipt of DSA. Young students are those under 21 on 30 September in the year they enter higher education. The data covers students in England.

Data Source: Higher Education Funding Council for England analysis of Higher Education Statistics Agency student records.
