

Thank you from GfK NOP

We are a company that asks people about their everyday lives. And, today you answered questions about yourself.

We have asked for your name and address. This helps us check later with you. Everything you tell us will be kept private, and not shown to anybody else.

The person who asked the questions has an identity card. On the card is their name and photo.

The person's name is

Their number is

If you want to check this person's identity then call or email us:
